C# .NET Trainee/Junior

Summary

Seeking an internship position to explore career options in the IT sector. A hard-working and self-motivated undergraduate student in Computer Engineering. Got non-commercial experience in C#.NET about 1 year.

Education

2016 - 2020	Undergraduate bachelor's degree. <i>Lviv Polytechnic National University</i> Computer Engineering
2014 - 2016	Student <i>ITSTEP Academy</i> Programming & algorithmization

Skills

C#

- Proficient in C#, with a good knowledge of its ecosystems
- Knack for writing clean, readable C# code
- Basic understanding of Common Language Runtime (CLR), its limitations, weaknesses, and workarounds
- Strong understanding of object-oriented programming
- Familiarity with Microsoft SQL Server
- Familiar with various design and architectural patterns

C# Technologies

- Proficient in WinForms
- WPF (Intermediate Level)
- Strongly familiar with VkNet (VK API for C#)
- Exprience with ORM such as Entity Framework
- Basic skills with ASP.NET MVC 5/6

Project Management

- Proficient understanding of code versioning tools such as Git
- Close familiar with task boards such as Trello

Project Design Patterns

Knowledge and understanding of SOLID principles
Basic knowledge of Design Patterns(GoF)
Able to understand UML

IDE

Proficient Visual Studio
ReSharper
VS Extensions
Basic understanding of MonoDevelop (Linux)

Soft Skills

Team player
Good communicating skills with IT-specialist
Flexibility
Know how to manage my time in the right way
Highly-motivated to start working at this very moment
Leadership
Always finishing what I`ve started

English

Upper-Intermediate, but currently working on myself.

About me

I am 18 years old student, Intermediate Upper English level, interested in cycling, table tennis, athletics.
Also I am taking part in social life of IT-community in Lviv, created and currently managing [project](#).
Ready to work full day or part-time either. Super high-motivated.
